ABOUT US

Land of Smile Dental Hospital is an officially registered dental hospital, not a clinic — where medical precision meets aesthetic perfection.

Our facility operates under the approval of the Turkish Ministry of Health, equipped with advanced technology and a full team of specialised dentists.

We combine international standards with personalised care, ensuring every patient receives safe, high-quality, and aesthetically flawless results.

TECHNOLOGY & SAFETY

At LO Smiles Dental Hospital, we combine advanced technology with hospital-level safety.

Using 3D Tomography (CBCT) and Digital Smile Design, our team ensures precision in every treatment.

We work exclusively with German-certified materials and offer in-hospital sedation in our fully licensed medical facility – for complete comfort and trust.

TREATMENTS WE OFFER

At LO Smiles Dental Hospital, we blend advanced technology with expert care for lasting, natural results.

From implants to aesthetic restorations, all treatments are performed by our specialists in a fully licensed hospital.

Implant Systems

- All-on-4 Implants – Complete restoration with minimal surgery
- All-on-6 Implants – Enhanced stability and natural aesthetics

Aesthetic Restorations

- Zirconium Crowns – Strength, durability, and a natural look
- E-max Veneers – Premium translucency and lifelike beauty
- Laminate Veneers – Minimal preparation, maximum aesthetics

06

Meet our UK-based team for a free consultation, available in person at our Manchester office or online via video call.

You'll speak directly with our dentist, not an agency — ensuring medical accuracy and complete transparency from the very first step.

During your consultation, we'll review your smile goals, discuss treatment options, and plan your journey to our licensed Dental Hospital in Antalya, approved by the Turkish Ministry of Health.

Professional care, personalised advice, and trusted hospital standards — wherever you are..

SEDATION & PATIENT COMFORT

As a licensed dental hospital, we are authorised to perform medical sedation — something regular clinics cannot provide.

Our anaesthesia team ensures a safe and stress-free experience for nervous patients, supported by full hospital-level facilities and monitoring systems.

Relax, you're in safe hands.

YOUR PATIENT JOURNEY

**We're with you every step of the way — from
your first message to your perfect smile.**

From your first consultation to your final smile, every step is carefully guided by our hospital team.

We ensure a seamless, stress-free experience from planning to post-treatment care.

1. Free Consultation – Video or face-to-face
2. Tomography & Treatment Planning
3. Personalised Quote & Schedule
4. Travel, Accommodation & Transfers
5. Treatment, Follow-up & Warranty

OUR STANDARDS

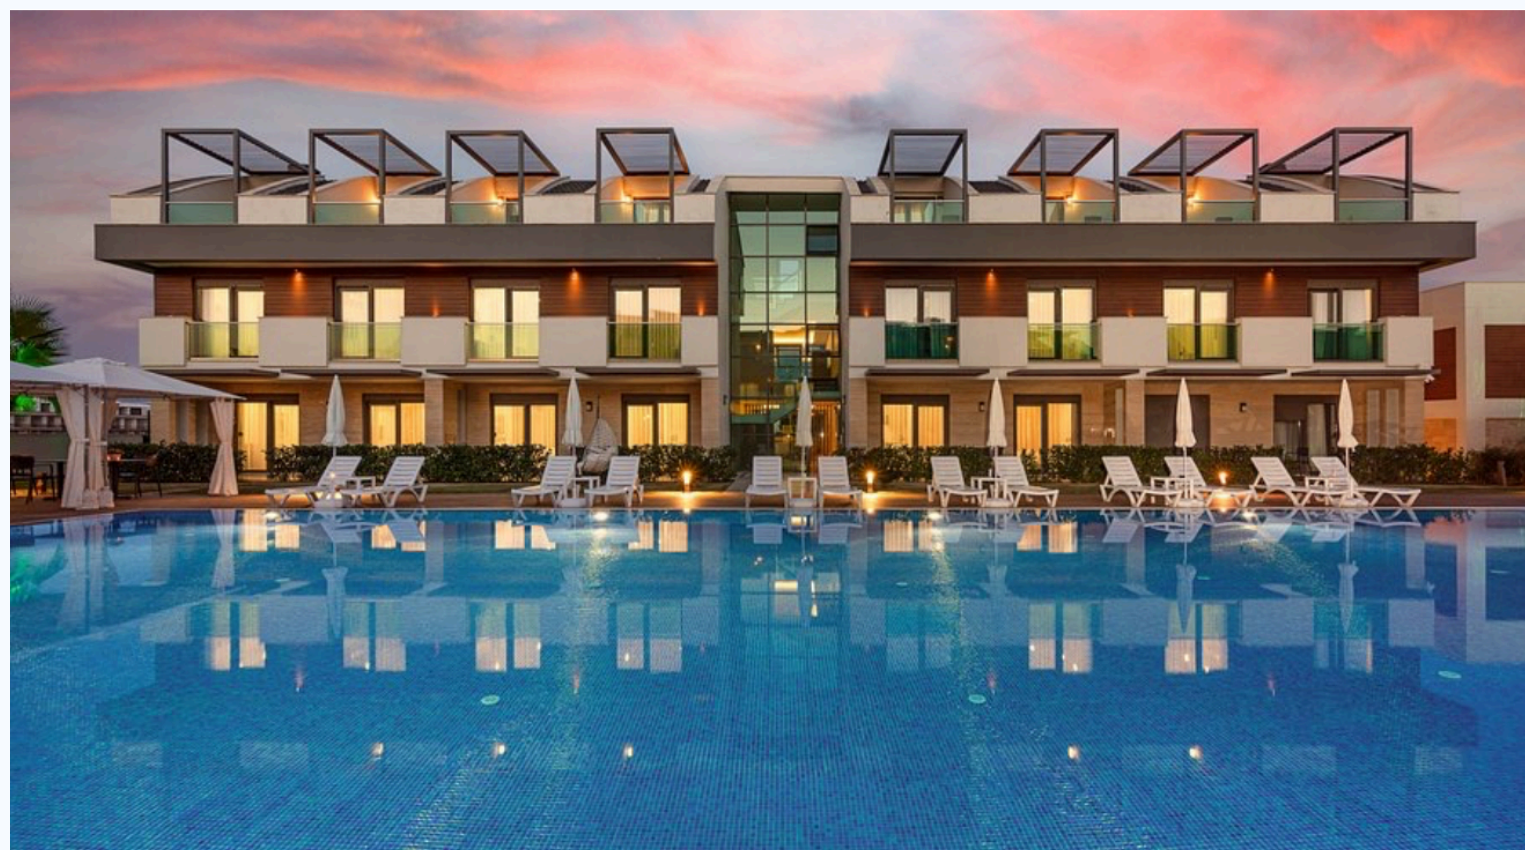

At LO Smiles Dental Hospital, we adhere to the strictest international and national medical regulations.

Our facility is regulated by the Turkish Ministry of Health and fully compliant with EU hygiene and sterilisation protocols.

We use only CE- and FDA-approved German materials, ensuring both safety and durability.

Every case is securely stored in our digital medical database, guaranteeing transparency and long-term traceability.

COMFORT & CARE

- **Sedation** for nervous patients
- Recovery in partner hotels
- Personal coordinators speaking English, Arabic, French
- 24/7 patient support
